## MISMO License Registry

The MISMO License Registry is a resource you can use to look up the organizations that are licensed to use MISMO standards or collateral released on or after January 1, 2018. The registry consists only of organizations and individuals who hold one of two MISMO licenses, End-User and Distributor. License holders may opt out of inclusion on this list. If you seek status of a particular organization send an email to [info@mismo.org](mailto:info@mismo.org) for information.
